

WILLIAM W. DIEHL.

[To accompany Bill H. R. No. 597.]

APRIL 6, 1860.

Mr. FOSTER, from the Committee on Invalid Pensions, made the following

REPORT.

The Committee on Invalid Pensions, to whom was referred the petition of William W. Diehl, praying an increase of pension, report:

That the petitioner was a soldier in the war with Mexico, and received a wound in the elbow by a musket ball. He was honorably discharged as wounded, and subsequently obtained a pension for partial inability to perform his manual labor. Since then has totally lost the use of his arm, as certified by the United States surgeon.

The petitioner asks an increase from \$5 33, the pension he now receives, and your committee are of opinion it should be increased, to \$8 per month, and they therefore report the accompanying bill, and ask its favorable consideration.
